about us

MEMO

Zachary Russell co-owner — I've been hunting in Grant co for 12 years I love the challenge of chasing ducks & geese, I also enjoy taking others out, get them on the geese & giving them the chance to bag a few. See their reactions on a successful hunt. Experiencing the sight of a flock of geese dropping into our set of decoys. If you choose to book a hunt with us I'll look forward to taking you out & get you on the birds.
